**Colours and specifications have been pre-selected in some cases and cannot be changed. Some homes are taken to the drywall stage only; depending on the completion stage of the home and what has been pre-selected the purchaser may have the option to select colours and finishes at a Design Centre appointment. *Actual closing dates may vary. See sales representative for further details. Specifications and prices are subject to change without notice. Floorplans may change with elevation, and floorplan may be reversed from shown based on driveway and garage location. Artist's concept only. Construction of dwelling may not be exactly as shown. Some features shown may be optional extras at additional cost. Exterior elevations, renderings or sketches are subject to architectural controls, the availability of materials to the Vendor during the construction of the Dwelling, and site conditions. Some windows shown on side elevations may not be available due to the applicable side yard setback. Accordingly, all details, dimensions, treatments, specifications and features shown may be changed by the Vendor, the Municipality, the Developer or the Vendor's control architect, in their sole and unfettered discretion at any time without notice. Actual usable floor space may vary from the stated floor area. Due to site conditions and engineering or structural requirements, individual room dimensions may vary. Square footage is measured using the methods and tolerances prescribed by Bulletin 22 published by the Terion Warranty Corporation. To view the acceptable measures and tolerances, please visit bulletin 22 at www.terion.com. Some windows shown on side elevations may not be available due to the applicable side yard setback. Features identified as "Optional" or "Opt" are an additional cost, and may not be available based on the stage of construction of the home. The location of fixtures such as electrical panels, hot water tanks, sump pumps or furnaces may change due to site conditions or engineering requirements. Features shown "where grade permits" or "subject to grading" may not be available based on the grading of the land, and may in some cases require adjacent floor areas to be lowered by one riser, or "sunken".
